“ Volevano ammazzarmi solo per cio' che sono, perche' ho un viso mascolino e avevano capito che ero una trans dalla mia voce”

“They wanted to butcher me just because of who I am, because I have a face that is a bit masculine and because they understood I was a trans person from my voice”

## Hristina, Bulgaria

“What drives me to seek justice is that no more cases like this should happen. The victims who do not dare to complain should not be afraid anymore. It is not only my case, there are similar cases that no one is talking about”

“Quello che mi spinge a cercare giustizia e' impedire che casi simili succedano. Le vittime che hanno paura di denunciare questi crimini non devono piu' avere paura. Non si tratta solo del mio caso, ce ne sono tanti altri simili di cui nessuno parla”
